HP Compaq Elite 8300 Ultra-slim PC

Powerful PC deployment, efficient performance
The HP Compaq Elite 8300 Ultra-slim Desktop provides the latest PC technologies, power and performance within a flexible and efficient form factor.

HP recommends Windows® 7.

Business-reliable PC technology
Includes the new 3rd generation Intel® Core™ vPro™ processor family for robust performance in a compact and efficient 4 liter form factor.

Includes support for an optional vPro enabling wireless NIC, as well as a variety of optical disc drives and storage drives. The optional Secure Digital (SD) reader provides for high capacity external data storage.

Intel Smart Response Technology (SRT), a disk cache solution, provides solid state drive like performance while retaining the storage capacity of a hard disk storage drive.

Convenient audio access with line in and line out ports, and USB 3.0 ports for fast data transferring speeds. Featuring 1 VGA and 2 DisplayPort video outputs for integrated dual digital monitor support.

SRS Premium Sound™ provides an outstanding audio experience, including VoIP conferencing, webcasts and collaboration. Exclusive HP Virtual Room software provides face-to-face collaboration around the globe.

Manageability and security
Secure data and credentials with HP's certified and embedded Trusted Platform Module (TPM). Disable USB ports and slots for added security.

Includes a complete set of software and hardware based security features designed to protect your data and hardware investment.

Permanently erase susceptible, personal information with HP Disk Sanitizer and File Sanitizer function, use face and phone recognition to establish yourself as authorized user and store access information with Credential Manager.

Environmentally aware
Lower your operating costs and overall eco-footprint with HP PCs:
ENERGY STAR® qualified
EPEAT ® Gold registered
BFR/PVC free materials (excluding external peripherals and cables)

Manage your energy more efficiently with HP Power Assistant software, enabling you to set up custom schedules for when the machine goes into low power states.

Backed by HP
Maintain a consistent work environment, ease transitions and help reduce support costs with a minimum 15-month lifecycle stability commitment from HP.

Benefit from HP Custom Integration Services (CIS), providing stable, custom software and hardware deployment services for your enterprise needs.

HP Business PCs go through a multi-tiered testing process of over 115,000 hours to help ensure a lasting investment.

Rely on award-winning service and support with a standard, 3-year limited warranty from HP. Additional coverage is available through HP Care Pack Services.
